### **TESTIMONIALS**

I would like to let you know that your service is appreciated. The snacks are always fresh and they put items in the box that we like. Our crews come in the morning and at the end of the day for a sugar fix. The girls are always very courteous and are a pleasure to talk to. The box is always filled with items we like and it comes in handy. Again, thanks for your service.

CAC Belmont Co. Inc.

We love the Snack Service, the variety is great. The service is wonderful, just like clockwork, the girls come in and remove the one box and replace it with a fresh new one. We can also tell the girls if we want a special item. They truly do give service with a smile.
